

Course: Advance

Impact Issues Level 1

Day №26

Convenience vs. Conservation

**Can you give up your cellphone/computer/car
for even just a day?**

Vocabulary words

Please use the following words in your own sentences.

Convenience - the quality of being suitable to one's comfort purposes, or needs.

Conservation - the act or process of conserving; preservation or restoration from loss, damage, or neglect.

Recycle - to use again, especially to reprocess ; to recondition and adapt to a new use or function.

Demonstration - the act of showing or making evident; a public display of group opinion, as by a rally or march.

According to Matthew, these are the things that everyone should do for the environment. What would you do?

I would _____ instead of _____.

Instead of _____, I would _____.

yes
maybe
no

What things will you be willing to give up to save the planet? What would you do or use instead?

***Who has inspired you the most
in your life?***

Let's Prepare!

- *What is special about that person?*
- *What have you learned?*
- *How has this person influenced your goals for the future?*

Your Outline

Presentation Tip:
-Interact with your audience. Ask them questions. Invite them to ask questions.

Language Hints:

- *"I am really inspired by..."*
- *"...is special because..."*
- *"...has taught me many things. For example..."*
- *"My goals for the future are..."*

It's time to present!

Present your ideas that you have gathered in your outline.

Presentation Tip:

-Interact with your audience. Ask them questions. Invite them to ask questions.

***How do you think you can inspire
other people?***

***Thank you for
today!***

***I'm looking forward to
seeing you again!***
