Main idea: Trish is a high school student. She is being bullied by other students in her school.

Characters: Trish (a young student, being bullied in her school), Shione (Trish's friend)

Plot: One day, Shione saw her friend, Trish, very upset. Some students from her school were being mean to her. Trish had been receiving hate messages on her phone and someone even posted an embarrassing photo of her onto her blog.

Trish thinks someone was just pulling a joke on her. Shione thinks Trish's schoolmates are bullying her.

Shione suggests that they tell a teacher but Trish thinks doing that will make things worse.

Put feelings in your voice.

I think you should tell these to your teacher.

I don't think you should keep it to yourself.

If I were you, I would talk to a teacher about this problem.

If I were in your shoes, I would not be scared and report this to our teacher.

If I were in your position, I would not be afraid to tell this to our teacher.

***Thank you for
today!***

***I'm looking forward to
seeing you again!***
