Day №20

Compare these two pictures.

What are **boomerang kids**?

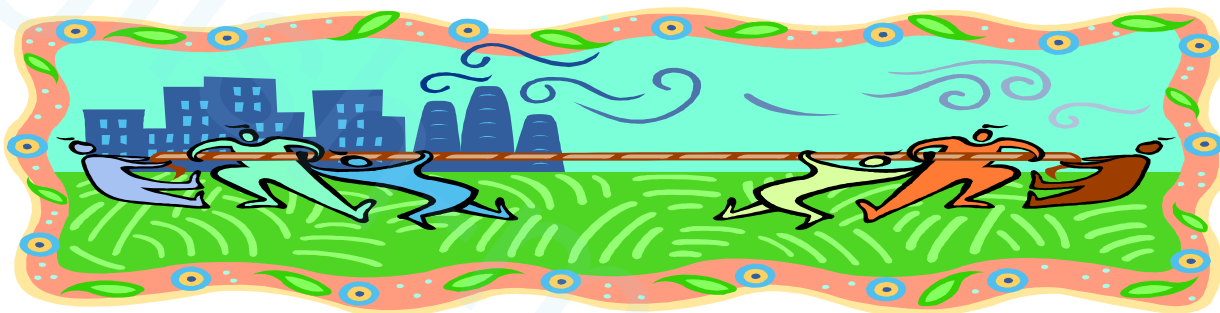

What is the term you use in your country?

Would you classify yourself as one?

Would you like your own children to be classified as such?

Opposing Ideas

When you don't agree with a statement, how do you express yourself?

Statement:

All mothers want their children to live with them forever.

Contradict:

-----Not all mothers want their children to live with them forever.

-----Some mothers can't wait for their children to move out.

Construct a sentence that will contradict the following:

1. When a person reaches the legal age, he/she should start living independently.
2. A parent's duty to take care of his/her child doesn't have an end.
3. Adult children who keep living with their parents are irresponsible and immature.
4. Parents enjoy the company of their children, especially as they're getting older.
5. Staying home with one's parents is a good way of strengthening family ties.

Give the opposite view for these success factors.
