After your recent promotion, you are now in charge of monitoring the performance of your offshore offices in Asia. This month, you have to visit three countries. Your budget for food and accommodation per day is \$1,000. (US dollars)

Your tasks:

1. Compute how much you will spend in each country.
2. Go to the bank and convert your money to the correct currency for each country.
3. Check for discrepancy.

No. of days	Country	Currency	Allocated Budget
2	Malaysia		
2	Thailand		
3	Philippines		

# Communication Activity

## Situation 1

You are a customer at a bank in Bangkok. Student A is a bank clerk. Ask to change these amounts into Thai baht. Use the flow diagram below to help you. Make a note of how many baht you get for each transaction.

- 1,000 yuan (cash)
- 500 Singapore dollars (traveler's checks)
- 50,000 yen (cash)

## Situation 2

Now reverse roles. You are a bank clerk in Singapore. Student A is a customer. Use the table below to calculate how much money to give the customer. Have a conversation, using the flow chart to help you.

- Currency: 1 yen = 0.015 Singapore dollars  
 1 US dollar = 1.76 Singapore dollars

### BANK CLERK

Greet the customer

Give the customer today's exchange rate

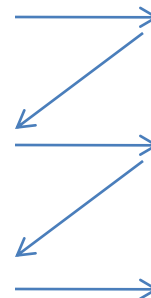

Tell the customer how much the total is

### CUSTOMER

Tell the clerk what you want

Agree

Say thank you

***Thank you for  
today!***

***I'm looking forward to  
seeing you again!***
