

English Through Reading and Speaking

Day No. 3

Rocks

Before Reading

- Where can you find rocks?
- What colors do rocks have?

If you look around you, you can find some rocks very easily.

Rocks are minerals and they are all from the earth.

What colors of rocks can you see?

You can see silver, white, brown, gold, orange, blue, red, pink, black, and even rainbow-colored rocks. There are many different colors of rocks on the earth. Why don't you find those colors of rocks right now?

Stone Wall

Rocks

Balanced Rocks
